Gabriele Küppers

Youth for Understanding Exchange Student

1

Gabriele was born in Bomblitz, West Germany and raised by Mrs. Katherine Koppers and the late Helmut Koppers. Her American home is with the Ray Kluver family.

"Gabe's" activities include softball, track, cheer-leading, vocal music, one act and class plays, letterclub, and speech.

When asked what she liked best about living in Schaller, she commented about how friendly and helpful everyone was to her. Gabe accredits this to the size of Schaller.

Gabriele would like to thank everyone for being so nice to her. A special thanks goes to the Ray Kluver family for their hospitality.

She offers this advice to anyone visiting a different country—"I would like them to start over thinking about that country and try not to compare it with their own."

The Rockets had a somewhat disappointing season finishing with a 5-14 record. Lack of height and shorthanded playing experience were two reasons for the up and down season. Four of five Schaller victories came in the Bo-Coon Conference as the Schaller boy's finished the conference season with a 4-5 record. Randy Willer was chosen to the 3rd team All Bo-Coon Conference. The MVP Award that is awarded to the team member that contributes the most to his team as voted upon by his teammates was given to Kevin Currie. Three seniors graduate from this year's team. They are Kevin Currie, Bob Sims, and Rod Bubke. These boy's are to be commended for their efforts this past year and during their high school careers.

The 1977 track season was a definite rebuilding year with only five returning lettermen. However, the young thinclads, only one senior member, made a fine showing of themselves throughout the season. They were led by Randy Willer who broke three school records and qualified for state in the long jump, 220 and 440 yard dashes. Highlight of the season came on April 22 when the Rockets won the Class B crown at the Alta Relays.

Students. . . .queens. . . .athletic teams. . . .the faculty. . . . Superintendent Blake. . . .yes, the 1977 yearbook is "all about everyone." Under the leadership of editors Nancy Blake and Beth Taylor, the staff worked hours, and days, throughout the school year to make the 1977 Rocket the best ever. They strived to tell the story of the 1976-77 Schaller Community school year as dramatically, accurately and creatively as possible. They sold advertising and yearbooks, took pictures and wrote copy as the busy days raced by. Then the final nerve racking deadline was met and the book was put to bed. What you see is the finished product which attempts to put the adventure, the monotony, the joy, the agony, the beginning and the end, and all the in-between of Schaller Community School life 1976-1977 into these few pages.

Student Council & High-Q Team

The Student Council was very active this year, planning Schaller High's first Homecoming Parade on October 6 and a dance featuring "Frenzy" after the big game the following Friday. The council also sponsored a "Genocide" Spring Dance on March 5. Funds from the Student Council Treasury also gave support to the Marching Band overlay drive.

"High Q Bowl" is a quiz show, sponsored by Morningside College and aired over KTIV-TV. Several area schools sent teams to participate and Schaller was one of them. First they went through Vermillion and then won their next two games to retire undefeated. In the six team playoffs, the Rockets took a first round win over Alta with a high enough score to draw a bye and go straight to the championship against the winner of the semi-final round. They ended the year in second place after taking a loss from Sioux City West, 225 to 95. In all the Rockets ended up with \$2750 in college scholarships. Not bad for a small town team!
